

Robert A. Cochran

University of North Carolina
Department of Computer Science
Campus Box 3175, Sitterson Hall
Chapel Hill, NC 27599

Phone: (919) 962-1920
Email: rac@cs.unc.edu
Homepage: <http://www.cs.unc.edu/~rac/>

Education

Ph.D. Computer Science, University of North Carolina at Chapel Hill, Expected 2013.

B.S. Computer Science, Clemson University, 2006.

Publications

D. Bethea, R. Cochran and M. K. Reiter. Server-side verification of client behavior in online games. In *Proceedings of the 17th ISOC Network and Distributed System Security Symposium*, February 2010.

R. Cochran. and J. Steele. Second-order illumination in real-time. In *Proceedings of the 45th Annual ACM Southeast Regional Conference*, March 2007. Best Student Paper Award.

Research Experience

Research Assistant, University of North Carolina 2008 - present
With Michael Reiter. Security in online games

Research Assistant, University of North Carolina 2007 - 2008
With Ketan Mayer-Patel. Image compression techniques using L1-splines

Graphics Research, Clemson University 2006
With Robert Geist. Techniques for approximating global illumination on the GPU

Undergraduate Research Assistant, Clemson University 2005
With Jim Martin. Analysis of traffic from broadband networks

Employment

Intel Corporation, Portland, OR 2006, 2007
Intern in the Visual Computing Group (Larrabee)

Teaching Experience

Teaching Assistant, University of North Carolina 2008
Introduction to Computer Security

Talks

R. Cochran and J. Steele. Introduction to GPGPU Programming. 45th Annual ACM Southeast Regional Conference, Winston-Salem, NC, March, 2007.

Honors

Outstanding Senior in Computer Science, Clemson University

Upsilon Pi Epsilon - Computer Science Honor Society, Member

Donald A. Norton Computer Science Scholarship, Clemson University

U.S. Senate Page - Summer, 2000

Eagle Scout Award

Last updated: December 31, 2009
